

NORTH WEST MICHIGAN AREA PRESENTS THE

ANNUAL
HOME GROUP
CHALLENGE
AND POTLUCK

Join us yet again as we pit one home group against another in a battle of strength, agility, focus, and proper use of spiritual principles! Winning home group will take home our first place plaque. Always fun and always a great laugh, these competitions are designed to bring home groups in our area together for fellowship and fun. Food starts at 3pm, please bring a dish to pass. After we eat, the games will begin. If you don't have a home group you could stand in and help out, get to know some fellow addicts, and just have some good clean fun. I can't, but we can!
