“Our meetings are a process of identification, hope and sharing. The heart of NA beats when two addicts share their

recovery. What we do becomes real for us when we share it. This happens on a larger scale in our regular meetings. A meeting happens when two or more addicts gather to help each other stay clean.” NA Basic Text pg 11

"Service work is carrying the message to the addict who still suffers"

Service keeps us clean and connected. Scan for the positions that need your help.
