About Us

The purpose of the Public Relations (PR) Subcommittee in Grand Rapids, Michigan, is two-fold:

1. The PR Subcommittee informs people in the Greater Grand Rapids Area that NA exists, that we offer recovery from active addiction, and to bring meetings to addicts who are institutionalized. All of this is done in accordance with the Twelve Steps, Twelve Traditions, and Twelve Concepts of Narcotics Anonymous. For more Narcotics Anonymous Public Relations resources, scan the following QR code:

2. The PR Subcommittee improves our internal and external relationships with addicts and organizations in the Greater Grand Rapids Area interested in Narcotics Anonymous. This improves the effectiveness of our efforts to carry the message of NA in the Greater Rapids Area.
