June 19 to June 23 at the Agnes Andreae Nature Preserve

Riverwoods Trail, Afton MI

Daily and impromptu meetings, Saturday potluck at 5 pm, speaker at 8ish pm

This is a rustic site, outhouse for toilet, no running water. But there is an artesian spring up the hill for drinking and cooking water. This is an open event, so all are welcome, members, family, friends and children. Pets must be leashed at all times. There are sixteen bunks, first come first serve, and lots of room for tents.
