Daily and impromptu meetings. Saturday potluck at 5 pm, speaker at 8ish pm.

This is a rustic site, outhouse for toilet, no running water. But there is an artesian spring up the hill for drinking and cooking water. This is an open event, so all are welcome, members, family, friends and children. Pets must be leashed at all times. There are 16 bunks, first come first serve, and lots of room for tents.

Showers are available at state park for those with park stickers or willing to pay daily state park entry fee. Restaurants, stores and most needed goods and supplies are all close in Indian River. Showers and other things listed above are just over a 5 minute drive.
