SUBCOMMITTEE REPORTS: H&I: The subcommittee is working with the Corrections manager in Bay City to reinstate a volunteer who was mistakenly removed from the list of approved volunteers. No word has been received yet regarding the Midland County Jail meeting restart date. Gladwin County Jail manager was contacted, and we received clarification of requirements to volunteer at the facility, which was then forwarded to the local Gladwin member/volunteer. There will be no H&I meeting on 7-15-18, as the chair will not be present. Public Relations: Visited King Communications after hearing stories of improper information being received from the helpline. After going through the process with the Rep, we discovered they were using an outside webpage and not our own. That has been fixed.

Currently the table has no upcoming events, but I continue to keep my eyes open.

Finally, I would like to thank Bryan H. for going above and beyond and getting our information included in a supplement called Spectrum, in the Midland Daily News. In loving service, Karen A.
