

**Saginaw Bay Area of NA presents
Group Service Representative (GSR) (GSR-ALT)
Training / Questions / Answers**

NA Service says that the NA Home Groups bear the final responsibility and authority for all the services of the extended NA Fellowship. The Saginaw Bay Area Service Committee is a support resource and provides for its Home Group's needs. Each Home Group is responsible for communicating its needs to the Area Service Committee. The GSR is the Home Group liaison to the rest of the NA Service community and carries the voice of their Home Group.
