SUBCOMMITTEE REPORTS

H&I: Absent (no report)

POLICY AND ADMINISTRATION: Area minutes will be gone over this well to find any motions that are unresolved and any standing rules left over. Patrick and Roy are doing a treasury audit in December and present information in January. Al is stepping down as RCM and Don has the willingness to step up and we will be taking nominations from groups. We also discussed having the RCM contact groups that are not showing up to area and try and get more GSRs to attend.

PUBLIC RELATIONS: Per Ryan the minutes were uploaded and a few meetings info was updated. Meetings were removed temporarily closed meetings that were showing on the BMLT search app. Recently brought out the trifold stand that was purchased by area prior to COVID and am working to prepare it for use with our table. In the meantime I would encourage anyone who hears of any events SBASCNA might attend please contact me. At this time there is not much else to report as far as activity; however I remain open to suggestions from both groups and individuals.

RETREAT: No change in Treasury, still working on menu, talked about getting a zoom account, still working on feb event for fundraising, and day passes were discussed and people are encouraged to purchase a full ticket if they want to come up for just one day. This is the policy going forward.

ACTIVITIES: Halloween dance was a successful event. People spoke about having a good time. 140 attended, financial report was given to treasurer and \$133.88 was donated to area as proceeds from the dance. Meeting to plan the sanity bash 2023. They welcome new volunteers from all home groups to come and participate.

LITERATURE: Last month after the ASC meeting orders for \$13, \$35, \$40, \$5.60 were filled and the funds went directly to the Treasurer. November orders received were for \$3.40, \$203.24, and \$36 (all will be paid when picked up). Last month one group paid for an order by Venmo and did not pick it up at or after the meeting, and hopefully will pick up the order today. Supplies were ordered from NAW\$ for a total of \$532.74, and those items were received yesterday and will be placed into inventory today (or will go towards today's orders). Please remember that there will be a 12% price increase from NAW\$ effective for all books and items except IP s and keytags.

AD HOC: Still waiting for churches to get back to us. They meet every other Tuesday @ 7PM and they use the area Zoom account.
