Editor’s Annual Review III
-Commitment-

I wasn’t sure what to write about for this so I asked my NA friends for their ideas. They gave me some good topics to write about but it all made me think of one thing…Commitment.

I started doing service work early on in my recovery, somewhere between 30 and 90 days clean. From my very first service position I started to feel needed, wanted, and useful again. Doing service work kept me coming back, even when I didn’t feel like going to a meeting. I started working this newsletter 3 years ago this month. My goal for this newsletter is to have new material every month for it so we can carry the message of recovery to as many addicts as we can. My hope for this newsletter is that it never dies. I love putting your stories and articles together and knowing that someone out there is reading it makes me feel so much gratitude.

I do my best to keep you readers interested. Sometimes I will receive a poem, or someone will send in their story, or their favorite recovery quote, but lately I’ve been receiving less and less. There is no requirement to send in your story or anything recovery related that you would like to see in the newsletter. You do not need to be a “good writer” just be real. Share your experience, strength, and hope is the new email address directly for Dear Addy questions at mcnamadeaddy@gmail.com I’m looking forward to receiving something from you!

Thank you for allowing me to be of service
With Love Always,

I have not received anything in months. I cannot do this alone. I need your help, the newsletter needs your help.

Let’s work together to keep this newsletter alive. I need your truth, your willingness, your words. It’s simple. Here is a list of what we need to keep this newsletter going strong…

Your experience, Strength, and hope-
Your Story
Your artwork
A recovery related poem
A recovery related question for Dear Addy
(example: Dear Addy, How do I work the steps? Anonymous)

It can be something as simple as a recovery related poem, A recovery related question for Dear Addy, or simply a story that you have written. I keep my mind open to any ideas you may have. Please help me keep this newsletter going strong. I love putting your stories and articles together and knowing that someone out there is reading it makes me feel so much gratitude.

From The Editor…

Hi family! I hope all you moms had a great mothers Day with your kiddos! I know I did! Well as I said in the front article, there is absolutely no willingness lately. This newsletter is suffering and really needs your help! Please help me keep this newsletter going strong. I need your truth, your willingness,  your words. It’s my joy, my passion, but crazy is doing whatever it took to get drugs, why don’t you do what we can to stay clean and carry the message through this newsletter. Some people think that’s crazy that I drive that far for this newsletter but crazy is doing whatever it took to get drugs, why not do what we can to stay clean and carry the message.

We can only keep what we have by giving it away. Send in your story to MacombMiracles@yahoo.com
