Hello family, Dave V. an addict is here. First, I want to thank our regional body for confirming me as the MDRCNA 12 (2020) Chair. I will do my best to keep the region abreast, follow the guidelines and make this a successful convention. Thank-you for those who attended October’s special meeting (Convention). They were able to get the MDRCNA 11 (2019) final report and asked questions. For those who did not, shame on you for not representing your area.

The open positions are Secretary, Asst Secretary & Asst Treasurer.

The open sub-committee chairperson positions are: Arts & Graphics and Convention Information.

The treasurer report was $1938.46 the same as reported at the special meeting.

We know there are some minor adjustments that are needed in the convention guidelines and the region’s guidelines. So, on the 1st Sunday of December 2019 and in January 2020. We will be meeting here at the MSO @ 1pm to discuss and bring forth the changes to this region body. Also, we need a fully useful set of guidelines both regional and convention. That can be available on the website and/or flash drive. Also, is workable say (Word or another file) then we can amend them when needed.

We are having a MDRCNA 12 fundraiser on Sunday December 14, 2019. The theme is “Newcomer Panel”, we are working out the details as we speak now. We are asking for suggestions on some speakers. (need contact information). We at the convention committee believe we need to have a presence to our fellowship by the end of this year. The location was decided by price to rent the facility. The same location as the Sunday Survivors meeting. This yellow flyer please help us get the information out there to our members.

The MDRCNA registration committee brought forth standing rule and the convention committee itself has approved this standing rule to deal with the indigent abuse that happened at our last convention. We hope that this region approves it so we can move forward. If approved it will be on all our forms and flyers here on out.

“All requests for indigent registration must be made, in writing. Thirty days before the Convention. They must be received by the MSO, stating the reasons for the need and giving contact information. All requests will be answered before the convention. No individual indigent registrations will be handled at the convention registration table”.

So, we don’t set our selves up to repeat our same mistakes again.

Have you registered with MDRCNA while it is still $15.00 (expires: 12/31/2019)

Have you booked a room for the convention at our site hotel? (Sheraton)

Any questions?

Dave V.
