**Webservant:**

Hi all,

Our website has had some regular monthly updates throughout the month of December and January including posting minutes, new event flyers from Subcommittees/home groups and keeping our event calendar at the bottom up to date. Also please make sure your event flyer is sent to us in a timely manner if you'd like it on the website, we will not be approaching groups asking or looking for flyers on social media. It is the event-hosting group's responsibility to make sure we get it if you want it on the Area page. All flyers must be sent to the Web Servant for approval prior to printing and dispersing on social media. This was a decision by Area to ensure all flyers have the required information before being shared with the fellowship/public. These requirements include- Date-time- location name and address, the Area name "Northwestern Michigan Area of NA, a registered Narcotics Anonymous symbol, a contact person and phone number or email and if the event requires a monetary fee for entry, a suggested donation or if it's a free event. All flyers should list "No Addict Turned Away" if money is required for entry.

We will have some new Area Announcements this month added to the top of the page including the reminder about NAWS literature price increase and where to find the new 2026 NAWS lit order form. I've also added the new audio link from world to access the Basic Text and Introductory Guide to NA for easy reference.

We have also added a couple new group conscience meeting days and times to the Home Group Business Meetings Section. If you'd like your home groups information added please let me or Emalyn know!

We have also added a new Zoom/hybrid service meeting Icon for PR South under the Virtual Meeting Resources section of the home page. PR South is a group working together with the PR Subcommittee to serve PR needs down in the further outlying section of our Area to ensure our PR efforts are reaching all corners of the area we serve. PR South meets the last Wednesday of the month immediately following the 7pm New Attitudes meeting in Manistee. Attend in person or jump on zoom and see what they're working on! ALL hybrid meetings (Rise and Recover, Public Relations, ASC and PR South) use the exact same meeting ID (215 536 401) and there is no password needed anymore, the host will admit you individually.

That's all we've got for this month, remember it's OK to be clean!

**Public Relations:**

Hi Fellows,

I apologize for my absence, thank you to John for proxying for me!

We are still working on reconnecting with the GTC jail, there was a lot of buzz and then contact has been sparse. We did finally get in contact with the Jail Administrator and Assistant Administrator who communicated with Yon to discuss next steps on clearances and when to possibly start bringing meetings back in. However, we are still getting Basic Texts into the jail and are not giving up on returning NA meetings to that space. The Manistee Prison is going well as always, we have some solid gentlemen that continue to show up and serve there as scheduled.

We are rocking lit out of our little library! We've had many Basic Texts, schedules and many IP's being taken and hopefully planting seeds of hope into people that need them! We have found some non-NA literature in there that we've been taking out and just moving it into other regular community little libraries around town. We will be installing a small sign on it requesting the little library only be used for Narcotics Anonymous only literature.

We have an open trusted servant position in PR that REALLY needs to be filled: Fellowship Development. This position visits various meetings during the month (usually 1-2) and checks in to see if they are in need of any services, have any questions or need support. This position requires at least 6 months clean, reliable transportation to get to meetings and the willingness to participate in the monthly PR meeting. Please announce this at your home groups!

I do not have money to turn in this month to the Area from our January 2026 PR Open Talk Meeting. Our 7<sup>th</sup> Tradition collected was \$9.00. This money went to paying our rent for the space to Recovery First. We had a total of 9 people attend the meeting. This is one of only a very few meetings in our Area that hosts a speaker monthly so come hear some ESH every first Sunday of the month at 7pm at Jacobs Well!

We have decided to host a quarterly PR Open Talk for Professionals meeting every three months starting in March. We have flyers we will be bringing to the February Area to show which dates this year our Open Talk will be focused on sharing the message of NA with professionals. This meeting is always open and members from the fellowship will still be welcome to attend, however we want people to know which meetings they might see their doctor, PO, judge or other professionals interested or connected to the addiction and recovery community.

Surprise! I DO NOT have any budget requests this month!

That's all we have this month; we are looking forward to finding more ways to reach the still sick and suffering addicts who need us the most.

WE DO RECOVER!

Thanks for letting me serve!
