Hey Family!

Area- 6-27-21

Last month area had a starting balance of 1,290.29 income of 221, expenses of 928.78 and an ending balance of 582.51. Activities had a start balance of 334, income of 78, expenses of 12 and an end balance of 400. Retreat had a start balance of 2,152.30, expenses of 25 and an end balance of 2,127.30. Lit had a start balance of 937.84 income of 762.00, expenses of 704.16 and an end balance of 995.68.

In paypal is retreat's \$500, Growth in Recovery has 4.55, and women in recovery has \$3.28, and Rise and recover has 6.19. GSR's please let me know what you would like me to do with the money. Do we have a contact for Growth in Recovery that I can reach out to? I reconciled the paypal account and we are still off by \$.55, positive, not short. I think next month I'll just transfer it to the area to make it all match up. Last area we decided that groups 7th tradition cannot come to our area paypal, it's just too many things to keep track of. I have not received any in the month of June! Moving forward I will assume that any donation made is an area donation. Please still be sure to label any funds coming in!

The bills we have to pay this month \$50 5/0, 15.89 to the PR zoom, and \$138 for the storage unit. We also approved 95 last month for schedules that I haven't received an invoice for yet. That leaves our available balance for budget requests at \$283.62.

When I got my binder out this month I realized I had two envelopes I never put in the mail!! Luckily they were just donations and not bills. They are sent out now. Sorry for spacing on that!

Thanks for letting me serve,

Amanda K.

RCM - James K. - Hi peeps, I went to the last region meeting by zoom. I was a little late but the issue with the books we requested was brought up. Jennah clarified that an individual must request them to have them sent to a jail. A few people were upset that the books weren't set and there was discussion about it. They didn't really have any solutions. There are still open positions at region. It's a great way to be involved in more service. They are hoping the next region is in person and they are looking to find a location for it.

Hi friends!! The Backyard Showdown was a lot of fun! Thank you to everyone who came out and supported our event to wrap up PR week. The event raised \$182.00 for PR and Rob C was the tournament champ. I have not been able to get to Traverse during business hours to pick up and deliver the trophy, sorry for the wait Rob! We were planning a Lip Sync Concert for July however it is on hold until the group has more support this month. Please stay tuned for more and thanks for letting us serve.

Old Business -

Our treasurer has had issues with sub committees requesting monetary reimbursement. It has been decided that only Sub-committee chairs should request money needed from the Area committee directly.

- The decision is that Subcommittees with treasurers can request money for things in between areas, as long as the chair of the subcommittee is the point person. All proper documentation required.
- We need to update retreats seed money amount in the decision list.

New Business -

Are we going to be sending our RCM in person to the region starting in september?

As far as James is aware, the region is trying to remove the hybrid option.

Our schedule coordinator is going to reach out to all points of contacts for homegroups to see if they could possibly send representation of some sort to area.

Please announce in meetings the subcommittees that need support. As well as meetings in our area. Bring friends to struggling meetings. Show enthusiasm.

Next area is July 18th 4 PM.

Elections are August 15th 4 PM.

Open share.
