Webservant:

Hi all, addict named Megan,

Our website has had some updates throughout the month of August and September including posting Area minutes, PR minutes, new event flyers from Subcommittees/home groups and keeping our event calendar at the bottom up to date. We have also been adding important Area Announcements to the top of the page as they arise. If your group has something you'd like added to that section please reach out to us and we will get your information added!

I have worked on updating the contact page on our website to reflect all of the newly elected Area trusted servants. I will also be updating the Service Opportunity section of the homepage to reflect any current open positions on subcommittees and Area. If your subcommittee has an open position you'd like added please let me know.

This past month Emalyn R. and I have been communicating and working together to keep the website up to date. We will be setting up more time this month for me to teach her some more tasks and help her continue to get more comfortable with our WordPress system. After talking she doesn't feel ready enough to step into lead web servant yet so I am willing to stay lead if elected and her CO if elected and we can continue to work together until she feels ready to take over. That's all we've got for this month, remember it's OK to be clean!

Hi Fellows,

Happy to report that PR is continuing to find new ways every month to carry our message of hope to those who need it the most! We as a subcommittee feel it's a privilege to be a small part in helping carry our NA message of recovery and helping plant seeds that hopefully grow into people finding our new way of life!

We are excited to welcome some new trusted servant position holders to PR after our recent elections! We have John P. as Co-Chair, Josh B. as Secretary, Simon H. as Co-Secretary, Yon K. as Correctional Facilities Coordinator, Dean A. as Treatment Facilities Coordinator, Sally S. as Phonenumber Coordinator, Sally S. as Meeting List Coordinator, Tim C. as Community Outreach and Simon H. as Fellowship Development!

We have finally started our outreach meeting at Safe Harbor and it is slowly growing in attendance. Due to the environment, the clients we interact with and the possibility of attendees being under the influence we have set a high clean time requirement of 2 or more years clean time for the chairperson and at least 1 or more years for the panel members. We have created a panel style meeting to allow the panel to talk about NA and how it has changed their lives with then a short time at the end for attendees to ask questions but not really share as that gets out of hand quickly in that type of setting.

We have an outreach event coming up here in TC on Friday September 26, 2025 from 10am-2pm at ATS's Annual Porch-A-Palooza! This is a great community event that has many organizations that come together to share information and resources that are available to all in our community. If you're interested in helping out let Tim C. know! We will need some members with a clear NA message to come sit at the table to talk about NA and what we offer.

"PR South" in Manistee has started their own section of PR by meeting the last Wednesday of each month. Their goal is to find new ways to reach addicts in their area and work in tandem with our PR Subcommittee.

Scott S. has been trying for the last couple months to make contact with Jubilee house with no avail. We will be discussing at PR possible different locations to plant it as we want it in the ground and available to the community asap!

I also printed 1000ct of our new October- December 2025 quarterly schedules, they are available here for GSR's to take back to groups. HOPEFULLY there are no errors this time. I did have to make the executive decision to remove Kaleva's Living Free meeting from our list. I understand our guidelines state this action must be approved by the Area before doing so however I have attempted to contact their GSR 6 times in the last month to get a new address where the meeting was being moved to and never got any response any of those times. We obviously cannot have a meeting listed without an address so I removed it from the printed ones. I messaged her to let her know it was removed and as soon as she can communicate with me to provide a new address we can readd it online and then it will be printed on the next quarter of meeting lists. This is me apologizing later as I didn't have a choice or schedules would not have been printed on time and brought today.

I do not have any money to turn in this month to the Area from our September 2025 PR Open Talk Meeting. Our 7th Tradition totaled a sum of \$9.00 which all went to paying Recovery First for the rent of the space. We had a total of 19 people attend the meeting.

I do have one a few budget requests/reimbursements this month for the following things:

Literature Requests:

- 20 of each IP: Recovery and Relapse, Am I an Addict, Sponsorship, For the Newcomer, Welcome to NA, An Intro to NA Meetings (For Community Outreach)
- 1 set of group readings (for Safe Harbor)

- 10 of each key tag: white, orange, green, red, blue, yellow, moonglow, gray and black (for PR Open Talk)

for a grand total for Literature (including the 10% shipping) of \$93.83

Budget Request Proposals:

- Reimbursement in total of \$135.42 to Sally S. for the ordering, printing and shipping of 500 NA stickers (to be passed out at outreach tables)
- Small royal blue pop-up tent and leg weights- \$79.98 including shipping (for outreach events, owned by area for all to use)
- Narcotics Anonymous PSA radio ads for 101.5 the Eagle in Manistee (15-30 second slot PSA to run once a day) for \$187.50 per month (radio will match amount, so either play twice a day for 30 days or once a day for a second month)

That's all I have this month, we are looking forward to another year of reaching the still sick and suffering addicts who need us the most. WE DO RECOVER!

Thanks for letting me serve!

Megan S.
