REPORTS

Chair: Rich P.

Nothing to report since our last meeting other than surgery went well! 😊 Thank you everyone for your service.

Co-Chair: Katy G

Hi Fam Katy G, i'm an addict, in December I went to area in place of Rich while he was out of commission. We discussed changing to a better fit facility to be more handicapped accessible. No official decision has been made yet but progress towards using Jacob's Well has happened. Will know more this month. We were approved for both of our budget requests. 650\$ to continue our BATA ads along with adding two more at the Hall Street bus station. That gives us a total of 4! Awesome. They also approved us for 50\$ in order to purchase keytags and IPs for Dakoske and the PIER. Mike C was able to get with John Y from lit and grab those and distribute them properly. Thats all I have to report thanks for letting me serve.

Secretary: Ashley C.

PR Minutes have been uploading for last months meeting. Thank you for letting me be of service.

Correctional Facility Report: Yon k.

WCJ: Working on putting together enough willing addicts to restart our program there.

GTCJ: having been told numerous times in last 6 months that "they'll be in touch soon", without this coming to fruition we are basically on hold with the DMV.

KCJ: Nothing to report since last month.

OAKS: On a positive note 🌟 our presence and progress here is very much appreciated by we the volunteers and the inmates as well. As always more willing addicts to fill out our stable 🐎🦄🐴 of willing addicts would be a bonus.

Treatment Facility Coordinator: Mike C.

Hey family, I'm an addict named Mike.

H and I is going well. This month we as a fellowship haven't missed any meeting commitments. We were called off one week at the detox by the program director possibly due to low numbers. I was unable to obtain the exact reason why they asked us not to come. We also had two meetings via zoom due to a Covid outbreak at the rehabilitation facility. We were back in person this past week. Keytags and IP's have been purchased and have be dropped off at both facilities. We are still looking for some more substitutes that can rotate in if/when someone can not keep their commitment.

-On another note our NA posters in the hall street Bata station and the existing ones have been renewed in the bus shelters at the mall and Tom's east bay. All in all things are going smoothly. Thank you for letting me serve.

Fellowship Development Coordinator: Zach W.

Hi Fam. Sorry I am not there. I am recovering from the flu, but getting my report out. As you know I didn't really do anything in December between the weather and holidays going I let things kinda take a back seat that month. Going into the new year jumping right back into things. This month I am hitting the last two places in the rotation. Wednesday January 18th I will go to New Attitudes in Manistee. The following Wednesday January 25th I will be going to Stepping in the dunes in Empire. Both meetings are at 7pm. I will be leaving from the Cherry Land Outlet Center about 2 hours before the meeting starts to make sure I have time if the weather isn't great. Can't wait to serve another year! Thanks for the opportunity!!

Webservant: Katy G, Megan S.

Hi P.R. fam- Katy G. and Megan S. here!

Here are the most recent happenings and changes to our N.W.M.A.N.A. website for the past month:

- The December PR minutes have been received and we're posted to the website. We are still awaiting Areas December minutes and will post them when we receive them from our new Area secretary.
- The flyers that have been added to the site this month are the all holiday and NYE events and the Friday the 13th Karaoke and Grub event hosted by activities as a Retreat fundraiser. All past event flyers have been removed from the Upcoming Events gallery on the home page and also moved from the Upcoming Events folder to the Past Event Flyers folder. All new events have been added to the website calendar.
- The Area Announcements section is continuing to be updated with Area specific emergent updates such as meeting cancellations, event changes, subcommittee meeting changes, etc.
- In the last month we did not receive any Area messages via our FB Messenger. We did receive one email from the Tuesday nooner requesting literature and that message has been forwarded to the Area literature chair.
- Note from Megan S.: Katy G. and myself were finally able to meet for our Data Date and she is becoming familiar with the inner workings of the website! It was really nice meeting with her to go over things, she has picked up on things really quickly and I think she will do an amazing job! As Megan has served as the webservant for 2.5 years, it is going to take a while for fellows to get into the habit of sending all website information to Katy. I will be forwarding all website information to Katy going forward and letting fellows know she is the new go-to girl for any events, flyers, additions to the website! And as always, during this transition, I will be available to support Katy and PR with any questions about how to complete tasks on the website. Thank you so much for allowing me to serve in this position, I will actually miss it!
Happy New Year!

And Remember: IT'S O.K. TO BE CLEAN!!

Thank you for letting us serve,

New WebServant & Past-Webservant
