REPORTS

Chair: Rich P.

I would like to report that area went well we came to a consensus about moving area to Jacobs well because after putting all options on the board area members decided that was in the best interest of the area. I did mention the concerns voiced in the last pr meeting about “that group “ weighing in on areas decision and we had put emphasis on area being it’s own entity with responsibility for our own rent with direct corresponding with faith reform church. I also added I was gsr of recovery first for 10 years and I’m familiar with the staff there and can pay the rent or whatever area needs me to do. I always give a full report of what you guys give me at the pr meeting so I don’t want you guys to think your hard work isn’t appreciated . It was also brought up, which I didn’t know, that the 7th collection at our open talk meeting is ours to support our directives here in pr! So 5/0 is going back to retrieve money that is ours so that will help with the things we need like key tags , literature, fuel for outreach or whatever we deem worthy without having to go through area. Area was over 3 hrs long but a lot got accomplished. I’ll cut this short but that’s my report in a nut shell.

Thanks for letting me serve, Rich P

Hey family!! H and I is going well. I printed new phone numbers lists and dropped them off at Dakoske and detox. I'm submitting the printing receipt from copy shop to area. I used the NA account on file.

There was a female that didn't make detox this month but we still had a male there, other than that we had full coverage. I do want to submit a request for more Ip's and keytags since we only have white and orange for Dakoske. I've added some people to Dakoske to shadow and begin the process of eventually bringing meetings in and getting some more people on the rotation. All in all everything is going really well. Thank you for letting me serve

Yours truly

Fellowship Development Coordinator: Zach W.

Hi family. Addict named Zach.

I ended up moving the Manistee trip to Feb 2nd due to expired license to I took that Wednesdays to hit sec of state and get that stuff good to go. Apologize for any inconvenience. Thanks to Yon for making sure it got posted to the group for the change. My trip to empire ended in a closed door. I contacted the person in empire and they said it had only been them for last few months and that they hadn't been opening the church last few weeks. They deeply regretted not contacting us sooner to make sure the meeting wasn't on the schedule. They did ask to not be removed completely but to add note that meeting is currently closed at church but will pick back up at the beach in the spring. The Manistee trip on the 2nd went well. The meeting is averaging 6-8 people and say they have a strong core group. Next Monday will hit the step study group in Brethren. Feb 13 th. The following Monday February the 20th plan on hitting the new freedom group in Cadillac. I'm requesting 25\$ for gas. Empire and especially Manistee are both long hauls. Thanks everyone for the chance to serve!!
