Hello PR Subcommittee,

I am so proud of the work and commitment that went into our recent P.R. event, thank you all

who showed up and helped make the event a success.

We've gotten a lot of great feedback from newcomers and have a list of newer people in the

fellowship willing to step up and help with our P.R. efforts. I have printed lists for each position

highlighted with the people who showed interest in your specific position. If you can please

contact these people in the next couple weeks to see how they would like to participate and as

always please invite them to join us here at Jacob's Well each month- the first Sunday of the month at 5pm.

I also brought our current poster drive sign up that had many people signing up to take packets.

We will pass it around and please sign up for the locations you are willing to deliver to. Please

write your name with the colored pen on provided so I know it's a new name and I can type it

into our updated list. I will also share the updated list in our chat so you can add your name that

way if preferred. Please make sure with each location you sign up for that you take a packet

and write that location at the top so you remember where you're taking it. We passed out all of our delivery guidelines flyers so I will also post that in our chat as well so you know what to do and what not to do when delivering them to organizations and businesses. We got all of the ER packets stuffed at the event and I'm just working on a 5yr clean time or more list to add to it. I will bring those next P.R. meeting completed and we can split those up for delivery as well. Also it's starting to show signs of spring so I will be reaching out to Melissa W. So we can schedule a date and time to get our little library put in at Jubilee House! I would like to add to new business some updated news about fellowship development and some need for requested support by specific outlying meetings.

I think that's all I have for this month, thanks for letting me serve!

Hello, this last month we had the H&I event and added two to our Dakoske rotation and changed up a couple spots for Phoenix. All Dakoske weeks have at least three per week and a couple of the Phoenix do as well. We have had a few issues with readings or formats going missing at all of the facilities.

Hey gang talked with safe harbor we are cleared to go in just have to find a time and day and I will work on finding volunteers thank you for letting me serve

OLD BUSINESS

- Reiterated that Jacobs Well Facility is a NO PET Allowed Facility. This is a CHURCH Rule and not at the discretion of groups to decide whether to adhere to or not. This is to be clarified/ addressed and announced going forward at all meetings.
- \$20 goes to the PR Open Speaker Meeting. Any additional 7th tradition funds allocated to Area.
- Sold a Just for Today literature \$10
- Meeting of the Month, (Still need flyer for this with current information)

NEW BUSINESS

- Need a stand in Secretary (Take Notes) for May 4 PRSC meeting. Gil will be out of town. He will still post any emailed reports received as normal along with notes taken and emailed by a willing participant. TIM C has graciously voiced willingness to facilitate this.
- Poster Drive Packet List handed out with locations. Each attendee selected locations they were willing to distribute, and received the required amount of packets respectively.
- Concerns with Disruptive Issues at (some) outlying NA meetings affecting attendance. PRSC has decided to send a few members along with the Fellowship Development Coordinator to ascertain. In doing so, it can then be observed firsthand if our NA traditions are being adhered to. Then if needed, what if any action/adjustment may or may not be required.

OPEN SHARE

Suggested that perhaps some outlying NA meetings consider what changing the time of meetings may look like for better support .
