Hi family! Addict named Katy!

Not much to report this month. At Area we were approved to get 10 Basic Texts, 4 It Works, & 4 Step Working Guides. We also are getting 10 intro guides and 20 little white booklets. We are beginning with the Little Library project. Melissa W is constructing one that we are going to start with. We are going to fill it with NA literature regularly.

Thank you for letting me serve!

**Secretary:** Ashley C.

**Correctional Facility:** Yon k.

GTCJ: Have been communicating with Cpt Barshef. Waiting to hear about the recently applied volunteers. Next will be the how and (especially) the when, to start our meetings at this facility again.

The Oaks: Eric H has been, cleared by the MDOC, gone through the orientation and we are now waiting on the the facilities final clearance. Good news as we will now have a 3rd volunteer at this facility.

Side note: at my HG, group conscious, GSR report from the area, it was announced that one of the open positions for PR was Corrections Co-chair. It was my understanding that the position had been filled by Kieffer B. Perhaps I am mistaken?

**Webservant:** Megan S.

Hi P.R. fam- Megan S. here!

All event flyers and minutes have been uploaded for the past month.

We have not received any new Area emails or FB messages from our NWMANA Facebook Page. The Literature Subcommittee has been working on some guidelines for their subcommittee and after they're posted we will have all committees guidelines up to date and posted to our website for reference! YAY!!!

Ashley C. and I were able to meet and go over the BMLT on Wordpress so she can create, edit and remove meetings. She caught on really quick and I have no doubt she will do an awesome job! And I'm always here if she has any questions or needs a meeting done quickly if she's not available for any reason. It takes a village!

I am seeing a lot of event flyers being posted on TC Fellows Facebook page that haven't come through PR (or the Webservant) for approval and/or haven't been sent to me to post on our website. Katy- if you can please continue to communicate at the Area level regarding flyer procedures and to send them directly to me to get posted I'd appreciate it! I will not search recovery pages for flyers to post so if a group/subcommittee doesn't share them with me directly their event might not make it to the area website in time.

Remember, IT'S O.K. TO BE CLEAN!!

Thank you for letting me serve,

Megan S.

**Schedule Coordinator:** Ashley C.

Hey fam,

I met up with Megan S. to go over updating the schedule. I made a list of all the meetings that needed to be removed from the site since we can no longer just re-activate the meeting. We have to create a new meeting anytime one is canceled or restarting for the season.

Megan and I updated the Cadillac meeting hours.

I will need some help with updating for a little bit. I was doing good on the website after talking with Megan but as of right now I don't remember what to do. So it will take me a little bit to get familiar with it but ill catch on soon!!

Thanks for letting me serve!

**Phone Line Coordinator:** Katy G
