*Treatment Facility Coordinator* – Casey J.-Hey family I'm an addict named Casey. We are back in person with social distancing guidelines and Phoenix and it's going great. We are in person (masks required) at detox and it's going great. We are still zooming with Dakoske every Monday at 7:30pm. It's been a privilege to have direct contact with each of these coordinators and to stay connected with the people in this fellowship that keep service a priority in their program.

In loving service,

Casey J
