Addict named Katy.

Melissa almost has the entire little library created - it looks so beautiful! Area approved us to have the BATA bus ads for 3 months longer and they are now on 8th street by Family Fare and by Walmart. Area is also willing to consider having the webservant position moved to an area position. I would like to talk more about that here today and see what that looks like to everyone.

Thanks for letting me serve

**Secretary:** Ashley C.

Last months minutes have been uploaded. Thank you for letting me be of service.

**Correctional Facility Coordinator:** This is an open position Yon K is fulfilling the duties of this position until an NA member expresses willingness

GTC: No correspondence with this facility in some time. Word is that after the cyber attack they are unable to access the info for the programs that are already in place, and none of them currently have access 🙄 UGH!

This doesn't bode well for our chances of getting in reasonably soon.

OAKS: All is well. We go over literature during our meetings and attendance is around ten inmates. Awaiting final clearance for Eric H.

**Treatment Facility Coordinator:** Casey D.

**Community Outreach Coordinator:** Tim C.

Hey PR Committee, I don't have a lot to report this month. I talked with our contact at BATA and told them the check was in the mail for \$300 and they said OK. Our posters have been relocated to the stop by Goodwill Inn, Family Fare on 8th Street. 2 still at the Hall Street Station downtown. There is also a smaller one that is free at the stop in front of the Library. We will have until September to decide if we want to continue paying for them. Working on having a PR table at ATS's Porchapalooza in September. If any one hears of a Recovery Event they think we could be part of please let me know. Thanks for letting me serve.

**OLD BUSINESS**

- Request at Region to create a text chat for Phone Line Coordinators
- Group text for GSRs and trusted servants?
- Personal phone numbers should not be posted online/should we no longer put on flyers contact names and numbers (Megan S report to look at for more info)
- Post meetings that need support on the website?
- Little Library in the works
- Consider using the PR email to send emails out to facilities so we can remain anonymous and there's no one face to face with a contact.
