We still need more details for Kaleva meeting. Meeting is still wanted in community. Safe harbor meeting has been approved. ATS concerned about having literature for patients.

#### **Treatment facility coordinator: Dean A.**

Hello everyone, I have a great stock of literature I only lack meeting lists... the facilities are fine at the moment but need a restock in the near future. We have had a little bit of a shuffling around with personnel, but no news is good news. Thank you for letting me be of service

#### **Secretary: open**

No email report received

#### **Co-secretary: Josh B.**

Hello everyone and thank you for letting me serve. Please remember to email me your reports before or shortly following PRSC meeting so we can give our community accurate information efficiently as we our secretary has resigned. Thank you for letting me be of service.

#### **Meeting list coordinator: Tim C.**

No email report received

#### **Correctional facility coordinators: Yon K., Sally S.**

No progress bringing meetings to Grand Traverse County jail

#### **Phone line coordinator: Sally S.**

Phoneline is going great. At least a few phone calls a week. People have been calling about the Empire Wednesday beach meeting. Can we check to see if it's still happening? Currently on the phone line people from all across the state are answering calls to our area. Maybe we can get a couple more volunteers and have it ring only to people in our area so they're more familiar and not just checking on the website for meetings.

#### **Community outreach coordinator: Tim C.**

Safe harbor meeting has started this month. Porchapalooza is free and we need people to be there. Kaskaskia (KRC) is having a talent show and we should try to make a connection with them as they need the support. We are closer to finding out about bringing meetings to high school.

**New business:**

Josh B has been elected as co-secretary, Sally S. Has been elected to correctional facility coordinator and Emily M. Has been cleared for phoenix meetings.
