REPORTS

Chair: Megan S.

Last month PR was cancelled.

PR guidelines need to be updated.

Little libraries being wrapped up just need to be placed.

Schedule coordinator & webservant are moving to Area as one position. The poster drive will stay a PR service.

Secretary: Ashley C.

I did not do the last 2 months minutes, but I will have them done with Septembers. Thank you for letting me serve.

Correctional Facility Coordinator: Yon K.

NO REPORT

Treatment Facility Coordinator: Casey D.

Phoenix is going good! We could use more qualified people willing to substitute, but it seems to be going fine.

Detox is going good. We need a willing woman to serve on the fifth Wednesday. I think it's a good idea to put feelers out for more willing volunteers.

Dakoske is going great. The coordinator there approached me about adding another NA meeting on Saturday evenings. I suggested that they attend our Saturday NA meeting and that sometimes when members with experience learn that the treatment center is attending they feel more intrigued to attend that meeting. Although I don't feel it's a good idea to spread ourselves too thin I told them I would take it to PR!

I believe in the rotation of service and I'm hoping someone will be willing to step into this position.

If you are interested in doing H&I service please reach out to me directly. 231-632-5226 In loving service, Casey D

Fellowship Development Coordinator: Zach W.

Unable to hit the meetings I intended due to being busy at work. I am willing to rotate in service.

Webservant: Megan S.

This position is moving to Area. I am working on removing all the phone numbers from the website. Contacts will stay on flyers but on the website they will be removed.

Remember, IT'S O.K. TO BE CLEAN!!

Thank you for letting me serve,

Megan S.

Schedule Coordinator: Ashley C.

Updated. Thanks for letting me serve!

Phone Line Coordinator: Katy G

No phone calls.

Community Outreach Coordinator: Tim C.

Hey there Addict named Tim

There are a couple of events coming up where we could have a PR table with Literature and Schedules set up . One is at ATS's Porch-A-Palooza Event on Friday September 27th from 10am-2pm in their parking lot at 1010 S. Garfield Rd. Traverse City. I will need help with this because working during that time. Another event is the Safe Harbor "Resource Day" on Saturday September 21st from 12pm-2pm the Flyer says to bring literature & educational material. There are two parts to this: the first part from 9am-12pm is about Safe Harbor and helping the homeless. I need help with this as well from 12-2. These events are free and open to the public. I talked to our contact at BATA about changing the QR code on our Bus Stop Posters. He said that if there is a fee it won't be much. He will need a copy of ours emailed to him. He said he would get back with me tomorrow sometime. I would like to continue as Community Outreach for another year.

Thanks for letting me serve.

OLD BUSINESS

- Request at Region to create a text chat for Phone Line Coordinators
- Group text for GSRs and trusted servants?
- Post meetings that need support on the website
- Consider using the PR email to send emails out to facilities so we can remain anonymous and there's no one face to face with a contact.

NEW BUSINESS

TABELED TILL NEXT MONTH: QR CODES need price and expiration period (QR codes so we can keep track of what QR codes are being used the most between schedules, magnets, website, and BATA.)

BUSINESS CARDS for officers / brief officers on NA lingo to help carry the message NA is here to help for the still suffering addict.
