Hi P.R. fam- Katy G. and Megan S. here!

Here are the most recent happenings and changes to our N.W.M.A.N.A. website for the past month:

- The September PR minutes have been received and posted to the website. We are still awaiting Areas September minutes and will posted them when we receive them from our new Area secretary.
- The flyers that has been added to the site this month is the Recovery First Softball game and our Annual Halloween Dance. All past event flyers have been removed from the Upcoming Events gallery on the home page and moved from the Upcoming Events folder to the Past Event Flyers folder.
- In the last month we have received a couple area emails: one asking our area to circulate the upcoming MRCNA event flyer and the other being about the Cadillac New Freedom Group moving their Monday night meeting location which was passed onto the schedule coordinator. We did not receive any messages via our FB Messenger.
- We received an email response from Kevin G., our downstate webservant guru downstate, in regards to the website's mobile formatting issues while using the UpNorthNA.org redirect. He is going to look into the settings for the redirect to see if it can be adjusted. I am awaiting the second email I sent him requesting our name on the region website drop down menu be corrected to Northwestern versus Northwest as it is our legal registered name.
- We are continuing to update the "Area Announcements" section on the very top of our homepage as needed for emergent area updates. We have added information about our new meeting in Kingsley! Come out and support them at The Rock of Kingsley Youth Center on Wednesdays at 7pm.

• The Boardman home group has decided to go in person only so their groups hybrid icon has been removed from the zoom section our website. • Katy G. and myself are working on getting together this coming month to switch over the website passwords, responsibilities, area email information to our new webservant!

I have assured her I'm not going where and if PR needs anything website related just give me a call!

THANK YOU for letting me serve! Happy Fall and IT'S O.K. TO BE CLEAN!! Thank you for letting us serve, Katy G. And Megan S. New WebServant & Past-Webservant

Hello Friends, we had a table at the final community connections event at the library o Tuesday 9/20. They had a great turnout. I hope to participate in more events like this in the future. Also, confirming January date to speak at the FAN meeting, The first Thursday of January is New Years Day. That's all for now.

Rich P. – Jeff did a really good job carrying the message and manning the table. It's our responsibility to get the message out there. If you're an addict, we're here to help.
