Treatment Facility Coordinator: Mike C.

Hey family,

We've run into a few problems with staffing for H & I. As mentioned earlier this week I will continue to do my best to remind people of their commitments. That being said, I too fall short and forget to send out reminder messages. Although, I strongly believe that as addicts representing NA we should be responsible enough to remember our own dates, times, and find substitutes if we cannot make it. To counteract any possibility of missing a commitment I believe we should urge people who meet the requirements to participate in H & I before, during, and after meetings. As a trusted servant I would like the ability to reach out to people that meet all the requirements and begin to build a roster of substitutes. Asking addicts to attend PR in order to get vetted is a struggle. I also suggest that people who miss their commitments more than twice, without any communication should be removed from the roster and then be required to come to PR in order to get back on the roster. I will reach out to members to get more people involved in this service. I will ask for clean time requirements for detox and institutions.

Thanks for allowing me to serve. Every day clean is a day won!

Webservant: Katy G, Megan S.

Hi P.R. fam- Katy G. and Megan S. here!

Here are the most recent happenings and changes to our N.W.M.A.N.A. website for the past month:

The October PR minutes have been received and posted to the website. We are still awaiting Areas November minutes and will post them when we receive them from our new Area secretary.

The flyers that have been added to the site this month are the Activities Roller Skating (which was postponed) and their Holiday Caroloke event being held during Recovery Firsts Marathon event. All past event flyers have been removed from the Upcoming Events gallery on the home page and also moved from the Upcoming Events folder to the Past Event Flyers folder.

The Area Announcements section is continuing to be updated with Area specific emergent updates such as meeting cancellations, subcommittee meeting changes, event changes, etc.

In the last month we did not receive any area emails or any messages via our FB Messenger.

Katy G. and myself are still struggling to find a time to meet to switch all webservant stuff over. Our goal is to meet in the next three weeks to have it done by the next PR meeting.

Happy Holidays!

And Remember: IT'S O.K. TO BE CLEAN!!

Thank you for letting us serve.
