GTCJ: No correspondence. Just waiting and hoping they reach out to us.

WCJ: I called Lt McDaniels twice, left a message once, but haven't received a call back or spoken in person with him in over a month. We've got 2 males and 1 woman cleared to bring in meetings to WCJ but then never received any contact after as to when we'd be able to bring in a meeting.

Oaks: The volunteer commitment at this facility is going strong. (Thanks Brian B) He and I have been going over the Steps and Traditions with the inmates (fellow addicts) out of the Basic Text. Try to get new volunteers for Oaks.

- Type a pamphlet/flyer with requirements for addicts who are interested in bringing in a meeting and getting cleared.

Still in the works- Katy G and Yon are working together to send an e-mail to introduce herself as new PR chair to GTCJ and give information on what we were are trying accomplish with getting meetings into GTCJ.

Hello PR posse, addicts named Katy and Megan!

The website has been moving smoothly as Katy and I have been tag teaming the posting of flyers,committee/subcommittee minutes and keeping our Area Announcements section up to date. Please make sure if you hear of any meetings that will be closed on the holidays please direct GSR's to one of us so that we can make sure any meeting closures are posted under area announcements. We have been discussing removing the "Upcoming Events" directory folder at the bottom of the page as it was created before we had the Upcoming Events flyer gallery on the home page. It is simply a second place to post upcoming event flyers and we feel is an unnecessary step. We will be working on removing that part in the next month.

Katy and I have also been discussing that we ensure our redirection of UpNorthNA stays active and will contact the website administrator Kevin G. downstate to make sure we know when it needs to be paid for again. When we originally purchased that domain it was a \$90ish fee for 5 years. We believe we have a couple more years and that the fee will be similar to renew it. We will keep you in the loop once Kevin G. gets back with us. I think that's all we have for this month, let us know if there's anything you suggest we add, delete or change to make our website serve our fellowship best!

Remember, it's ok to be clean!

Katy G. And Megan S.
