Reports

PR chair: Megan S.

Hi Fellows,

What a great event out in Irons! We got a lot of good feedback about what PR is currently doing and some suggestions about how we can improve and spread our efforts more in outlying cities in our Area.

The January-March 2026 meeting lists have been printed and brought to Area. Please grab some if needed to switch out in anything that pertains to your trusted servant position.

We finally have our little library up! We have stocked it with some IP's, schedules and a few basic texts. I am ordering a stack of literature to have on hand to keep it full. If you're in the area of Washington and Boardman please stop by and check it out. If it needs to be restocked or normal books removed, please let me or Tim know!

I have a new Lit request for this upcoming Area all written up to restock treatment and outreach. Included are for some basic texts, IP's and white booklets. If you need any specific Literature ordered please let me know before Area so I can add it!

I have reached out to GSR's of groups that fall on the holidays to make sure any closed meetings are noted on the website.

I think that's all I have for this month!

Thanks for letting me serve!

Secretary: Josh B.

Hey everyone, I have nothing to report for this month. Thank you for letting me be of service.

Correctional facility coordinator: Yon K.

No email received

Treatment facility coordinator: Dean A.

Hello , this is the last month for Phoenix. This is the most notable news. We don't need any lit.

Fellowship development coordinator: Simon H.

Simon has stepped down from position.

Meeting list coordinator: Sally S.

Hi addict named Sally,

Schedules have been printed, I just need to grab them from copy shop! They'll be at the well by Tuesday. Nothing else to report!

Phone line coordinator. Sally S.

Phoneline going great. Not many calls this month. There was a Caller who repeatedly called who wanted to talk. I connected him with a male but he continued calling. I also connected him with a phone meeting using nabyphone. I reached out to state PR contact and phoneline person for assistance. In the meantime, caller continued calling saying disturbing things were happening, but not enough to call 911, and asking for specific addicts numbers. I asked them to leave the line open for people who are looking for a meeting, there were no calls after that.

Community outreach: Tim C.

Hey everyone, I don't have much to report this month. Safe Harbor meeting is happening on the 1st & 3rd Mondays of the month. I have been trying to take another guy and girl with me. Last week the two I had lined up couldn't make it. Doug B has gone with me regularly and is available most Monday's thanks Doug! I will not be able to go to the next meeting on December 15th and am looking to someone to Chair for me. The meetings still have not been well attended so far but we plan to keep going. Still trying to find ways to get more people to attend the Meeting.

Our contact suggests that we try to get there early and eat with the clients might help build a rapport. They start serving at 6:00pm. Meeting starts at 8pm. That's all I have for now. TFLMS
