

Hospitals and Institutions (H&I)

What is H&I?

According to Narcotics Anonymous World Services, Inc., Hospitals and Institutions Service and the NA Member, 1996:

“The purpose of an H&I meeting is to carry the message of recovery to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I meetings, except for those in long-term facilities, are intended to introduce those addicts in attendance to the basics of the NA program... These meetings occur in hospitals, treatment centers, correctional facilities, and adolescent institutions.”
